

PAST PROJECTS

- ~ Relay for Life participation in 2008 & 2009
- ~ Collaborating with Onslow Memorial Hospital to participate in Physician recruitment/ retention process.
- ~ Helped the OMH Foundation raise money for Radiation/ Oncology Center. (It is a joint project of OMH Foundation & ECU Brody School of Medicine.) The Alliance organized an art-themed table for the silent auction held during the M*A*S*H BASH fund-raiser.
- ~ On 5th Dec., 2008 the Alliance had a “Treasures from the Attic” Yard sale and made \$1600 in profit. The proceeds were donated to the Caring Community Clinic, which is a Not for Profit organization run by medical volunteers.
- ~ On 20th March, 2009 the Alliance had the second Alliance “Treasures from the Attic” benefit sale, which was held on March 20th at OMH to raise money for the Alliance Relay for Life team.
- ~ Seat belt compliance checks at Jacksonville High School and White Oak High School. This is part of our mission to conduct a project to interface with the high school student setting, with the goal being to promote injury prevention and driving safety.

~ Christmas Cheer, 2008. We had the pleasure to adopt two elderly Christmas Cheer families. Through generous donations of gift cards, money, food and clothes from members of the Alliance, we were able to present these two families with quite a bundle of gifts, as well as experience the true giving joy of Christmas.

~ Santa Toy Boxes, 2007 & 2008. Alliance collected toys and treats for the ER Physicians to give out to their pediatric patients during holidays.

~ The Alliance teamed with OMH and First Citizens Bank to honor physicians for Doctors Day on Friday, March 27th at a reception at the Jacksonville Country Club. A lively evening was enjoyed by all as we celebrated and acknowledged the dedication, service and professionalism of the OMH Medical Staff.

~ As part of socializing we hold an Alliance/ Medical staff Christmas party every year.

We celebrate the end of school year & the beginning of summer with a TGIF party at the Williams Farm Clubhouse pool. This is one time when the Physician families can together & socialize in a very informal setting.

Ladies' night outs are our favorite. We've gone twice on Marina Café Cruise.

Girls' night out in a limo to Kathryn's in Emerald Isle was a hit.
