

## The Lucky Hearts Program

### *Organization Requirements*

- 1) Select **50 employees** to participate in MEDIC's CPR/AED training
- 2) Pick **TWO** training dates for **TWO** separate trainings
  - Split your employees into **TWO groups of 25**
- 3) Determine Time(s) – training classes will last 90 minutes
  - preferably around the **lunch hour**, however, we will make exceptions
- 4) Reserve space in your office that is large enough for 25 people; with tables and chairs (if you do not have a large enough room, we can provide you with space at MEDIC's facilities)
- 5) Complete 90 minute FREE training class
- 6) Once training is completed; design a medical emergency plan – specifically for a cardiac (AED) emergency
- 7) An AED will then be donated to your organization once the emergency protocol is communicated to employees. The AED will then be mounted professionally by MEDIC (or by our AED supplier).
