April 2005

## Replacements, LTD.

Tuesday, April 19 (9:30 am)  
Home of Bonnie Woodruff  
3513 Chaucer Place, 782-9657

For the first time ever, Replacements, LTD. will present a program outside their headquarters in Greensboro.

Their representative will attend our April 19 meeting to discuss the services, collections, and wares available at Replacements, LTD., as well as the proper care of china, silver, and crystal.

The program should be fascinating! Replacements, LTD. buys and sells current, discontinued, and antique patterns of silver, crystal, china, collectibles, and just about anything else. Replacements, LTD. can assist in the care and repair of your personal collection. They can identify patterns of crystal, china, etc., that have come into your possession.

It is an honor for Replacements, LTD. to have selected the Alliance for its first program outside Greensboro.

Help the Alliance make a good showing by attending. **RSVP NOW to Suzanne Zeok at 878-7884** to ensure our reservation requirement of 30 attendees.

What a great opportunity to invite or bring another Alliance member you haven't seen in a while! Come learn about this world famous business in our own backyard!

**DIRECTIONS:** From 440, take Six Forks North. Left onto Lassiter Mill Road. Cross 440 and take a left onto Marlowe Road. Right onto Chaucer Place.
