NCMSA is looking ahead to the next centennial.

We are reimagining our Alliance and invite all interested Alliance members to join us in this exciting journey. There will be a number of ways you can help from answering simple Survey Monkey questions, to serving on committees. We want a broad perspective from our members so each of our voices count. We need to hear from you and we need your help in creating the NCMSA for future generations.

Please contact Barbara Lupton at bvlupton@gmail.com if you are interested in serving on a committee.

President's Message

Dear Past, Present, and Prospective Members,

I am honored to be serving as the NCMSA Alliance President for 2023-24. Our board and members all hope to continue being a force for good as we celebrate the journey of our past 100 years and look to the future.

You can take a visual journey through the long-term impact of the Alliance by clicking the NCMS Alliance webpage covering past centuries by decades and see how far we have come! <https://www.ncmsalliance.org/>. With the support of our County Medical Societies and the County Alliances, the Alliance brings unique understanding and perspective to the challenges faced by today's physician families.

Our goal is to be a leader in health education and non-profit support. Due to the pandemic, we've all rediscovered the significance of health awareness and togetherness. Our state network helps provide the backbone.

Join our Zoom meetings as we focus on member engagement by emphasizing our connection and mission. I can say with grateful appreciation that **"It's all about Making a Difference"** and leaving the world in a better place.

Our board is of service to you. If you have an interest in serving at the State level, please contact me. Our committees welcome dedicated individuals. Involvement does not have deadlines nor require serving as a Board Member. Please contact me with inquiries and/or ideas.

With sincerity,
Meeti Nigam
2023-24 NCMS Alliance President
